### Showcasing Family Memories

Subjects Covered: Unique gifts from the Genealogy Store

Ideas for Projects: Family History Book; Memoir; Narrative; Scrapbook; Family Cookbook; Wall Chart or Family Tree Chart; Calendar; Website; Newsletter

#### Telling Your Story

- Focus on an individual from birth to present
- Focus on an ancestor from your earliest knowledge of them through their death to their descendents
- Pick a theme – Rags to Riches; Surviving War; Family Life on a farm or city
- Focus on an Event – Graduation; Holiday Gathering; Wedding; Bar Mitzvah
- Set a deadline for your project – otherwise it will always be the project you've been meaning to finish.
- Research – History; Geography; Economics
- Choose a starting point
- Organize records, pictures and documents
- Make it personal
- Make it flexible – find a way to update it from time to time

If you have a family tree, upload it to the internet:

- [www.ancestry.com](http://www.ancestry.com)
- [www.tribalpages.com](http://www.tribalpages.com)
- [www.geni.com](http://www.geni.com)

#### Telling Your Story:

- Identify your main subject
- Get to the Point
- Select High Quality Photos

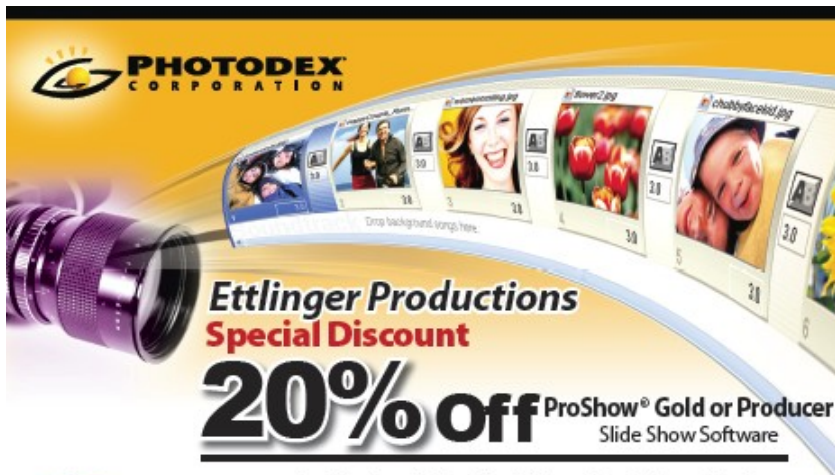

## Publish

- Avoid a permanent product that cannot be changed
- Consider a loose leaf notebook with plastic pages for inserts that can be updated from time to time
